Exhibitor success story

# Positive feedback drove new partnerships and collaborations

## Why did you exhibit?

Two years after rebranding, we needed assistance spotlighting our brand to enhance customer awareness and recognition.

## How did HVAC R Expo impact your business?

After participating in HVAC R Expo, we received substantial positive feedback and saw a notable increase in partnerships and collaborations.

HVAC R Expo provides an excellent platform to connect with clients and stakeholders, due to its diverse range of exhibitors and attendees.

**Gerald Tan, Marketing Manager**

rime.

Rime Group is an innovative refrigeration company that manufactures state-of-the-art refrigeration products and provides solutions for commercial and industrial applications. We have emerged as a leading player in the Middle Eastern and African HVAC and refrigeration Industry.

**Contact us to exhibit at HVAC R Expo from 26 - 29 November 2024.**
