

Exhibitor success story

# €1.2 mn in lucrative deals sealed in GCC expansion drive

## Why do you exhibit at events?

Middle Eastern events are vital for construction professionals, offering essential networking, innovation and partnership opportunities that shape the global construction landscape.

## Why Marble & Stone World?

We use events like Marble & Stone World to expand our GCC audience, making impactful connections with potential clients and partners. Our 2023 participation resulted in €1.2 million in deals generated.

Marble & Stone World introduced us to new clients and ongoing projects, resulting in increased business opportunities, with orders over €1.2mn.

Antonio da Silva, Commercial Manager

Since 1994, Ruipedra has had a longstanding presence in the construction industry. With an unwavering commitment, Ruipedra supplies high-quality products for external building façades. This specialization constitutes 75% of product distribution, solidifying Ruipedra's position as a key player in the construction sector.

**Contact us to exhibit at Marble & Stone World from 26 - 29 November 2024.**
